

# 2022 HOLIDAY WISH LIST

Thank you for your interest in supporting the Child Life Program. Because of your support, we are able to provide comfort for pediatric patients and their families. These items are used in our playroom, at a patient's bedside, as prizes for procedures or gifts for special occasions.

All items must be new and in the original packaging. This helps ensure infection control for our sick children. Please note the following are not accepted:

- Used or opened toys, books, magazines, stuffed animals, beanie babies, DVD's and electronics
- Latex items, including balloons
- Food, drinks and candy
- Toys and games with violent themes

To ensure we are helping our patients back to being healthy as fast as possible, donors are unable to distribute toys or visit with patients. Please contact the Child Life Department at 701-323-8336 with any questions or to arrange a drop-off.

For your convenience, you can purchase gifts for kids in the hospital from your home. Purchasing items from our Amazon Wish List will be sent directly to the Child Life Team. See the list at:
