WAYS TO GIVE

Thank you for your interest in donating to the Child Life and Music Therapy department. Because of your kind generosity, our donation-based program is able to provide comfort for pediatric patients and their families. These items are used in our playroom, at a patient's bedside, as prizes for procedures, or gifts for special occasions.

Due to infection control, all donations must be new and in original packaging.

Donations should be non-toxic, durable and wipeable. We cannot accept food items, used items, or items that have been held in storage.

If you would like to make a monetary donation to support Sanford Children's Hospital, please visit the following link:
www.sanfordhealthfoundation.org/donate.
Please call
(701) 234-5036 with any questions regarding monetary donations.
