

Child LifeWish List

Thank you for your interest in supporting the Child Life Program. Because of your support, we are able to provide comfort for pediatric patients and their families. These items are used in our playroom, at a patient's bedside, as prizes for procedures or gifts for special occasions.

All items must be new and in the original packaging. This helps ensure infection control for our sick children. Please note the following are not accepted:

- Used or opened toys, books, magazines, stuffed animals, beanie babies, DVD's and electronics
- Latex items, including balloons
- Food, drinks or candy
- Toys and games with violent themes
- Ride on toys or Bikes

To ensure we are helping our patients back to being healthy as fast as possible, donors are unable to distribute toys or visit with patients.
